## KEY PROJECTS

---

**Global Tech Portfolio Website** Summer Semester 2022

- I was able to apply my skills, from the Global Tech Program, by using HTML, CSS, and Bootstrap to create a portfolio website showcasing my mission, skills, contact information, etc.

**ICPC Programming Contest** March 2022

- Used C++ and Python to solve many different programming problems.
- Working with a team helped me gain valuable collaboration and problem-solving skills.

## EXPERIENCE

---

**USF Global Tech Experience Program** May 2022 to August 2022

- Interned to learn industry-standard practices in web development.
- Learned new skills and languages for web development, such as HTML, CSS, Bootstrap, and JavaScript by applying such skills in various projects.

**Cashier at Publix, Tampa, FL** April 2018 to Present

- Working in customer service has allowed me to have many positive interactions with others and has helped me gain valuable communication skills.
